Re: April 16, 2019 CLE Luncheon

PADC's 2018-2019 luncheon CLE programs continue Tuesday, April 16, 2019. Seating for the luncheon is at 12:20 P.M., and the program begins at 12:30 P.M. at Estia, 1405 Locust Street, Philadelphia. We are pleased to offer a program on the "Restatement of the Law of Liability Insurance" presented by Tom Baker, University of Pennsylvania Law School William Maul Measey Professor of Law and Health Sciences and a Reporter on ALI's Liability Insurance Restatement project. One substantive CLE credit is offered for this program.

If you plan to attend this month's luncheon and reception, there are several ways to register. You can register online at www.philadefense.org using the PayPal option. You can print this letter, complete the bottom portion, and return it to the address listed above. If you wish to receive CLE credit, include a check payable to "PADC" (\$50 for members and \$90 for non-members). Or, you can simply advise by e-mail or phone that you plan to attend, and then bring a check to the luncheon if you desire CLE credit.

If, after registering you are unable to attend, please try to find a substitute from your firm to attend.
